

## **FRIENDS AT THE FALLS**

September 2021

**Dear Neighbors,**

I am so excited to announce that we now have a Little Free Library in our neighborhood. It is the blue box in our front yard near the tree that you probably thought looked like a birdhouse. At our neighborhood library, books are always 100% free and anyone can stop by to browse, take a book, or leave a book. Materials are for all ages and can be kept for as long as you like. I plan to keep it stocked, but donations are always welcome and much appreciated.

I hope that this little library can give us a sense of community and will encourage a love of reading for all ages. I have always been passionate about reading, and books hold a special place in my heart, so I want to share that with you all. I hope everyone can enjoy it.

Please feel free to reach out to me for any questions, suggestions, comments, etc. Just consider me your neighborhood librarian. To request a meeting in person, please make an appointment as right now I am...completely booked....

**Sincerely,**
